

# AFTER THE FLOOD

After The Flood combines a variety of musical styles and genres to create a hard hitting, dynamic musical experience to delight and excite your clientele.

Music genres served include the best of Modern, Alternative, Southern, and Classic Rock, all performed the way they were intended when they were created.

Noted for tight performances and cohesive sound, this is not your typical bar band, and you're sure to be pleasantly surprised when After The Flood gets your venue up and moving to their groove.

## **Band members:**

**Carmen Pellino**—Lead vocalist and front man for After The Flood, prides himself on delivering crowd-pleasing energetic performances that leave the crowd satisfied and wanting to come back for more!

**Dan France**—Drummer focused on and committed to duplicating the essence of the original artist while adding in a bit of his own flavor.

**Dee Haze**—Guitars and Background Vocals - tastefully wielding both new and vintage guitars/equipment to deliver authentic sounds for each tune the band performs.

**Wayne Speranza**—Bass Guitar and Background Vocals - delivers creative and experience driven bottom end to faithfully reproduce the low end you expect to feel in great music.
